【Comment from So-Yeon Ryu】

First of all, thank you very much for always giving me the best support.

After the championship last year, I have been waiting for a good result and kept struggling, so I am very happy to win this championship from the bottom of my heart.

I have spent so long time with HONMA's clubs and Sakata's craftsmen kept producing the best clubs that help play with confidence even under difficult conditions. I want to highly appreciate for all hard work that they have done.
